

Tuskegee Airmen Aviation and STEM Training (TAAST) Summer Youth Aviation Program June 2-8, 2018

ACTAI will sponsor its sixth annual TAAST Program at Atlanta Metropolitan State College (1630 Metropolitan Pkwy, Atlanta, GA) from June 2-8, 2018. One of the objectives of TAAST is to excite and motivate high school students to experience and gain knowledge about aviation, aerospace and STEM careers.

TAAST will provide many opportunities for Atlanta area youth which will include discovery flights, aviation history, flight simulator orientation, and introduction to aerodynamics, field trips and so much more!!!

Applications are available online!

Go to [www/atlantatai.org/Youth Programs](http://www.atlantatai.org/YouthPrograms). Once application is complete, follow instructions in confirmation email. Send complete application packet to youthprograms@atlantatai.org. Or, mail to: ACTAI Education & Youth Programs, PO Box 91506, East Point, GA. 30364. Application submission deadline is April 27, 2018.

The program is provided at no cost. However, if selected, a \$100 refundable fee will be required.

Email questions to youthprograms@atlantatai.org or call 404-406-1391.
